

CURRICULUM VITAE: Patricia Ann Bazeley

Formal qualifications:

PhD in Community Psychology (Macquarie University, 1980)

Community development for mental health

BA (Hons) in Psychology (Macquarie University, 1972)

Goal perspective and the autocrat (empirical)

Self-actualisation and socialisation: Compatible or antagonistic concepts in personality theory? (theoretical)

Teachers' Certificate (NSW Department of Education, 1967)

Prizes/awards:

Australian Psychological Society prize for Psychology Honours, 1971

Commonwealth Postgraduate Award, 1972-1975

University of Western Sydney Macarthur Open Research Award, 1997

Professional Memberships and Appointments:

Member: Mixed Methods International Research Association (President 2015-16)

Editorial Board, *Journal of Mixed Methods Research* (Associate Editor, 2007-9).

Visiting International Fellow for 2006, Institute of Social Research, University of Surrey

Formerly: Registered psychologist and member of the Australian Psychological Society.

Employment:

2017–current: Adjunct Professor (Level E), Translational Research and Social Innovation Group, School of Nursing and Midwifery, Western Sydney University.

2021, 2022: Adjunct Professor, Centre for Organisational Change and Agility, Torrens University.

1998–current: Director/ Research Consultant, Research Support Pty Limited, Bowral, NSW.

2008–17: Associate Professor (Level D, fractional), Centre for Primary Health Care and Equity, University of New South Wales.

2005–13: Adjunct/Fractional appointment (Level D, Senior Research Fellow) at Quality of Life and Social Justice Research Centre, Australian Catholic University, Melbourne.

1997–99: Head, Research Development Unit, University of Western Sydney Macarthur.

1993–97: Director, Research Office, University of Western Sydney Macarthur. Responsible for both research development and research grants management in a rapidly expanding research environment.

1991–93: Professional Development Coordinator: Research (Senior Lecturer), University of Western Sydney Macarthur. Responsible for initiating and conducting a research development program for academic staff across all faculties of the University.

1989–91: Research consultant and lecturer (part time) in the Faculty of Nursing and Community Studies, University of Western Sydney Hawkesbury.

1985–91: Research consultant undertaking a range of social research and evaluation projects for government departments and community organisations.

1980–83: Joint Principal Researcher/Community Development Worker in a community development project in the St Clair Estate, in Western Sydney.

1972–78: Casual University, CAE and TAFE teaching in Psychology and Sociology.

1964–66: Teacher (infants-primary), NSW Department of Education.

Invited national/international conference papers (keynote/plenary):

Mixed methods: Breaking down the division between quantitative and qualitative approaches to conducting research. *Developing knowledge through mixing. Conference day for the Israeli Center for Qualitative Research of People and Societies*, Ben-Gurion University of the Negev. 6th April, 2021.

Integration in theory and practice. *Mixed Methods International Research Association Australasian-Pacific Regional Conference*, Wellington, New Zealand. 4th December, 2019.

A framework for integration in mixed methods research. *DFG Research Network: Mixed Methods and Multi-Method Social Research*, Göttingen, Germany. 24th May 2019.

Transcending the qualitative-quantitative divide: Implications for data, methods, and software. *MAXQDA International Conference*, Berlin. 28th February, 2019.

Developing explanatory theory with qualitative data. 9th meeting of *Qualitative Research Association of Malaysia*, Kuala Lumpur. 26th August, 2017.

Mixed methods data analysis in clinical RCTs. *UK Medical Research Council Summit and Expert Panel on Integration in Randomised Control Trials*, University of Exeter, 3rd May, 2017.

A mixed methods way of thinking and doing: Integration of diverse perspectives in practice. *MMIRA Asia Regional Conference*, Ibaraki, Osaka, Japan, 19–20th September, 2015.

Analysis beyond coding. *NVivo Symposium*, Simon Fraser University, Vancouver, 23rd April, 2015.

Beyond sprinkles and chunks: Integrating qualitative with quantitative evidence to support research and development in professional education. *Australian Association for Engineering Education Conference*, Sydney, 6–8th December, 2010.

Metaphors for integrated analysis. *6th International Mixed Methods Conference*, Baltimore, 8–10th July, 2010.

Research in practice. *Association for Qualitative Research*, Melbourne, 13–14th Nov, 2007.

Analysing qualitative data: more than “identifying themes”. *Qualitative Research Association of Malaysia*, Kuala Lumpur, 3–5th September, 2007.

Many pathways, one package: Using NVivo for different methodological purposes. *Strategies for Qualitative Research*. Durham, 13–15th September, 2006.

Quantifying qualitative data: The construction and interpretation of codes. *Strategies for Qualitative Research*. Durham, 1st–3rd September, 2004.

Integrating data: Moving beyond qual–quan component design in mixed methods research. *Advances in Qualitative Methods Conference*, Banff, 2nd–5th May, 2003.

Issues in mixed methods research. *First International Conference in Qualitative Research in Marketing and Management*. University of Economics and Business Administration, Vienna, 8–14th April, 2002.

Data are plural. *Strategies for Qualitative Research*. Institute of Education, London, 29th September 2000.

Do physicists have a future? *12th Australian Institute of Physics Congress*, Hobart, July, 1996.

Competing paradigms, conflicting priorities and the failure to immunise. *4th National Immunisation Conference*. Public Health Association of Australia: Sydney, March 1995

The influence of immunisation providers on immunisation behaviour. *2nd National Immunisation Conference*. Public Health Association of Australia: Canberra, May 1991.

Research supervision

Lynn Kemp	PhD	Community Health	Awarded 1999
<i>Charting a parallel course: Meeting the community service needs of persons with spinal injuries.</i>			
Annie McCluskey	PhD	Occupational Therapy	Awarded 2004
<i>A grounded theory of care management after traumatic brain injury</i>			
Rod Gutierrez	PhD	Psychology	Awarded 2006
<i>Workplace psychological injury: A mixed methods investigation into workers compensation claims</i>			
Joanne Abbey	PhD	Psychology	Awarded 2015
<i>Concepts of work wellbeing: A multidisciplinary approach to theory and method</i>			
Fiona Haigh	PhD	Primary Health	Awarded 2017
<i>A critical realist approach to integrating human rights into health impact assessment</i>			
Anna Williams	PhD	Chronic Health	Awarded 2018
<i>Conceptualising self-management: Patient engagement in the management of their chronic illness</i>			
Tun Aung Shwe	PhD	Community Health	in progress
<i>Football's contribution to social cohesion and peacebuilding in Karen state, Myanmar</i>			
Ruby Ardren	MRes	Environmental Sciences	Awarded 2021
<i>Governance factors in the management of stormwater control devices</i>			
Larni Kelleher	MSc(Hons)	Community health	Awarded 1999
<i>Evaluation of a volunteer visiting program for mothers at risk</i>			
Astrid Toscan	BN (Hons)	Public health	Hons 2(1) 1998
<i>Opportunistic vaccination by nurses on paediatric wards: Shattering the illusions</i>			

Acknowledgement of assistance provided in numerous doctoral dissertations across a wide range of social science related and professional disciplines.
